

The following charts illustrate how the new renewal cycles will be implemented. Your current license will expire on the date listed on your pocket ID card. You can also identify your current expiration date via the Board's online license verification website (<http://otptat.ohio.gov>). To use the chart, find the date your current license expires in the "Current Expiration Date" column. The row that starts with your current expiration date will list the information for your current renewal, as well as your next renewal.
